Add a Question Item

- Add a class for a question like sports, music and so on
- Your question should have at least these two parameters
 - Has a category
 - Has a question text
- Create a widget to display a question item

Feedback

- Go to our discord server (<https://discord.gg/N8sGhCWgX6>)
- Post your solution in an own thread under "Course Members" -> "tasks"
- When you do not see "Course Members", write us a short message in discord and we give you access.
- Look into other solutions and discuss different solutions.
- You do not need to add your solution in Udemy as answer.
