# Add a navigation

- Add a navigation bar to your app
- On desktop display the bar on the side
- On mobile display it on the bottom
- Have two pages in your app
  - First shows all your questions
  - Second a form to enter a new question
- Extra: After entering a question, show this question in your list

# Feedback

- Go to our discord server (<https://discord.gg/N8sGhCWgX6>)
- Post your solution in an own thread under "Course Members" -> "tasks"
- When you do not see "Course Members", write us a short message in discord and we give you access.
- Look into other solutions and discuss different solutions.
- You do not need to add your solution in Udemy as answer.
