

Dart- Task 4

Dart Basics

Dart

Flutter

by Max Berkold & Max Steffen

Extension for Task-3

- Add hints for the user to make it easier to guess the right number
- If the number is too high, print out that the entered number is too high
- If the number is too low, print out that the entered number is too low

Feedback

- Go to our discord server (<https://discord.gg/N8sGhCWgX6>)
- Post your solution in an own thread under "Course Members" -> "tasks"
- When you do not see "Course Members", write us a short message in discord and we give you access.
- Look into other solutions and discuss different solutions.
